CONFIRMATION OF ASSIGNMENT OF PATENTS

WHEREAS, ADexact Corporation, the full post office address of whose principal office or place of business is 702-101 Frederick Street, Kitchener, ON N2H 6R2 ("ADexact"), is the owner of the Patents (as defined below);

AND WHEREAS ADexact was placed into receivership by the Royal Bank of Canada, which is the holder of a valid, enforceable and perfected first charge in the assets of ADexact pursuant to one or more security and priority, postponement or subordination agreements;

AND WHEREAS SF Partners Inc. (in its capacity as receiver and manager, the "Assignor") was appointed receiver and manager of ADexact by the Royal Bank of Canada under a letter of appointment dated May 8, 2003, and is thereby authorized to sell and convey certain assets of ADexact, including the Patents, to the Assignee (as defined below);

AND WHEREAS, HBA Matchmaker Media, Inc., the full post office address of whose principal office or place of business is HBA Matchmaker Media, Inc., 3 Center Knolls, Bronxville, New York; 10708, U.S.A., (the "Assignee"), is desirous of acquiring from the Assignor the whole right, title and interest in and to the Patents;

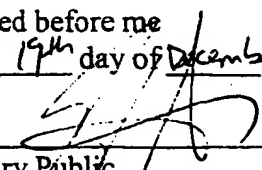

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the parties hereto, the Assignor confirms that the Assignor sells, assigns and transfers unto the Assignee, its successors and assigns, all of the right, title and interest worldwide, in and to the patent applications and patents set out in Schedule "A" attached hereto and any and all inventions described or claimed therein ("the Patents"), including any and all priority rights derived therefrom, and the right, where such right can be legally exercised, in its own name to apply for and obtain Letters Patents, Inventor's Certificates, Utility Models and Designs, worldwide, and the entire interest in any Letters Patent, Inventor's Certificate, Utility Model or Design which may be granted on any such application, including any and all divisionals, continuations and continuations-in-part of said application, worldwide, including any reissues, re-examinations, renewals and extensions thereof, together with the right to sue and recover damages for past or future infringements of the Patents and to

fully and entirely stand in the place of Assignee, its successors and assigns in all matters related thereto and to obtain and enforce said Letters Patent, Inventor's Certificate, Utility Model and Design protection for said inventions worldwide.

Each party agrees, upon the request of the other, to execute such further documents and perform such other acts as the other party may reasonably request to confirm and record the transfer of the Patents.

SIGNED at Toronto, Ontario this 19th day of December, 2003.
